SOFTWARE RADIO TECHNOLOGY PLC
("SRT" or the "Company")

Live Shareholder Webcast

On Monday 28th November 2011 at 8:00 a.m. (GMT), AIM-quoted marine electronics developer, SRT will host a live shareholder webcast open to existing and prospective private and institutional investors.

Following the release of SRT's interim results for the six month period ending 30th September 2011 Simon Tucker, SRT's CEO, will provide responses to questions through a live video webcast which can be accessed by any interested party worldwide by visiting the website listed below.

The format for the live webcast will be as follows:

- Investors are invited to email questions prior to the event to investor@softwarerad.com. These questions will help form the presentation given by Simon Tucker on the webcast. Questions must be submitted before 7:45 a.m. on Monday 28th November.
- Investors will need to go to www.softwarerad.com/investorwebcast, click the button and then login using a nickname and their email address. Please note that investor names and identities will not be broadcast and will be kept strictly confidential.
- During the webcast, investors will be able to send instant messages from the viewing website to Simon for him to answer and react to live.
