

SRT MARINE SYSTEMS PLC
(AIM: SRT)
(“SRT” or the “Company”)

AGM and Open Day

SRT, the AIM-quoted provider of maritime domain awareness technologies, products and solutions, is pleased to provide further details in respect of its Annual General Meeting (“AGM”) and Open Day which is to be held on 4 September 2019. Both shareholders and non-shareholders are welcome to attend.

Visitors are welcome to arrive at SRT’s offices anytime from 09.00 a.m. on the day and take the opportunity to tour the Company’s facilities and meet the team. At 10.45 a.m. there will be a short transfer for visitors to the nearby Centurion Hotel, where the AGM will be held from 11.00 a.m. followed by a presentation by SRT’s Chief Executive Officer, Simon Tucker. A buffet lunch will then be provided.

The Company's address is Wireless House, Westfield Industrial Estate, Midsomer Norton, Bath, BA3 4BS and parking is available on site. The address of the Centurion Hotel is Charlton Lane, Midsomer Norton, Bath BA3 4BD. Alternatively, for those intending to travel by train, the nearest station is Bath Spa. SRT has arranged a free minibus which will wait at the rear of the station and leave promptly at 08.40 a.m. for our offices, returning from the Centurion Hotel to the station, leaving at approximately 13.00 p.m. For guests without cars, SRT will arrange a minibus transfer between our offices and the Centurion Hotel.

Those expecting to require the minibus transfer should email their intent to:

About SRT Marine Systems plc:

SRT develops, manufactures and supplies maritime vessel tracking technology and turn-key system solutions to marine stakeholders across the globe with a particular expertise in AIS. The Company's products and solutions are used by individual vessel owners, port authorities, maritime infrastructure owners, coast guards and national security agencies to enhance their maritime domain awareness. Applications include the tracking of commercial and leisure vessels; sustainable fishery; anti-collision; search and rescue; waterway management, port and coast security; pollution management; and environmental management.
